Here's the Story

Bring the whole family for a fried chicken picnic and live music at Skillington Farms in Lebanon, Indiana.

Slow Food Indy will be on site, frying chicken fresh from Skillington Farms. Each family should bring a dish to share for the pitch-in picnic to accompany the fried chicken. (Bring your own reusable dining ware, too!)

Enter your dish in the Side Dish Throwdown. A panel of local food experts will judge the entries for originality, use of local ingredients, and, of course, flavor. Three winners will receive a meat sampler from Skillington Farms, Bacon of the Month Club membership from Goose the Market, or a Green Savings Indy book.

Tickets: purchase by June 19th!
